

**SHREE MADHAV CHEMTECH<sup>TM</sup>**

(AN ISO 9001:2015 Certified Company)

**A Complete Solution of Packaged Drinking Water Industry**

## ABOUT US :

**Shree Madhav Chemtech**, Established in 2012 with intention of providing solution for packaged Drinking Water Industries. Shree Madhav Chemtech has grown to be a INDIAS leading Solution provider for water treatment industries with Head office in Surat, Gujarat.

## VISION :

To be always India's No. 1 in Packaged Drinking Water Industries. Also strive to satiate the Client expectations by providing the best solutions & services in minimal duration.

## MISSION :

A Mission to make every human being to have an access to safe drinking water.

## QUALITY :

Pursuing highest Standard and Passing through stringent state wise quality checks. Shree Madhav Chemtech Produces a product that satiates customer's expectation.

## CREATING VALUE THROUGH :

- Offering excellent and consistent quality with attractive prices
- Optimum Customer Satisfaction

## CORE VALUES :

 Dedicated

 High Performance

 Efficient

 Quality Guarantee

 Consistent

 Excellence

## OUR PACKAGING :

## OUR PRODUCT RANGE

### RO ANTISCALANT :

(Advanced Synthetic Polymer technology Base) Our cost effective RO Antiscalant inhibit a wide range of foulants including calcium Carbonate, Calcium Sulphate, Barium Sulphate, Strontium Sulphate, Calcium Fluoride, Silica & Iron.

**Pack Size :** 5 kg & 25 kg

### PH BOOSTER :

The control of water pH and alkalinity levels is very important in order to reduce corrosion. Depending on the natural feed water alkalinity, it is often necessary to add an alkalinity builder in order to establish the correct water chemistry by raising the water pH which helps to protect the system from acid corrosion.

**Pack Size :** 5 kg & 30 kg

### SILVACARE (Raw Water Disinfectant) :

Silvacare is the combination of Hydrogen Peroxide & Silver nano. Its eco friendly broad spectrum disinfectant and biocide that is effective on all type of pathogens. Its main component Hydrogen Peroxide does not pollute the effluent, as only Oxygen and water formed.

**Pack Size :** 5 kg & 25 kg

### ADDED MINERAL CHEMICALS :

(Potassium Bicarbonate, Magnesium Sulphate Hepta, Sodium Bicarbonate & Calcium Chloride)  
We supply added Minerals Chemical such as Potassium Bicarbonate Food Grade, Magnesium Sulphate Hepta Food Grade, Sodium Bicarbonate Food Grade & Calcium Chloride Food Grade with certificate of BIS & NABL approved laboratories . We also have FSSAI Licence for supplying food grade Chemicals for food & Beverages industries.

**Pack Size :** 5 kg, 25 kg & 50 kg

### CHLORINE DIOXIDE DISINFECTANT :

For Drinking Water treatment chloride dioxide can be used both as disinfectant & as Oxidizing agent. Chlorine Dioxide is powerful disinfectant for bacteria & Viruses. Available in liquid & Powder

**Pack Size (Powder) :** 1 kg

**Pack Size (Liquid) :** 5 ltr. & 25 ltr.

### RO CLEANER (MEMBRANE CLEANER) :

Regular chemical cleaning of RO membranes will help to increase its performance and will extend its useful life. The main concern with cleaning is that it should be done before the situation gets too bad as then the membrane may become fouled and will have to be replaced.

**Ro Acidic & Alkaline Cleaner : Pack Size :** 5 kg & 20 kg

## OUR PRODUCT RANGE

### WATER TESTING SERVICE (Out side Laboratories Reports) :

Shree Madhav Chemtech also provide water testing from BIS, NABL approved Laboratories. We have different sample collection center in India.

### FILTER CARTRIDGES :

We supply wound, Spun & Doted Filter Cartridges with Different Size

**Spun Filter Cartridges** : (2.5 x 10, 2.5 x 20, 2.5 x 30, 4.0 x 20, 4.5 x 20)

**Wound Filter Cartridges** : (2.5 x 20, 4.5 x 20)

### ACTIVATED CARBON :

We supply Activated Carbon both Coconut base and coal base in different Iodine Value.

**Mesh Size** : 4x 8

**Packing Size** : 25 kg HDPE Bag

### FULL LABORATORIES AS PER BIS 14543 : 2016 :

We supply packaged Drinking Water full set Laboratories Including Microbiology & Chemical Laboratories. We are Largest Supplies of laboratory Instrument, Chemicals & Glasswares.

### LABORATORIES CHEMICALS & MICROBIOLOGICAL MEDIA :

We also supply laboratories chemicals & Microbiology media and laboratories glassware. We have all packing size in Laboratory Chemicals as per your Requirement.
